OUR SHED AREA

INFRASTRUCTURE

1. Plot Area 4000 Sq. Mtr.
2. Shed Area 1200 Sq. Mtr.
3. Office & Store 152 Sq. Mtr.
4. E.O.T. crane 10 Mt Capacity 2 Nos.
5. Plate rolling machine 2500 mm span x 25 mm thick of Himalaya make.
6. Plate rolling machine 2500 mm span x 6 mm thick capacity.
7. Plate bending machine 4 mm thickness.
8. Bitumen & petrol / diesel dish end formation machine.
9. Radial drill with drill capacity up to 40 degree.
10. Lathe Machine.
11. In house drawings and design through qualified engineers and Stress relieving.
12. In house Hydro testing facility and 50 kl water storage capacity.
13. 35 mm degree hole capacity radial drill machine.
14. Surface preparation & blasting.
15. Painting & Facilities.
16. Pickling & passivation.
17. Aluminum insulation for glass wool, LRB & themocall.
18. Welding machine like ARC, MIG & ARGON (TIG)
19. Liner Draw Machine.
20. Pipe Flaring Machine.
21. Bend Flaring Machine.
22. Injection Moulding Machine.
23. Pest Extruder Machine.
24. Sintering Oven 5mtr.
25. Hydraulic Press 20ton.
26. Moulding oven.

COMPANY PROFILE

M/S Agarwal Tanks and Allied Works is in field of Fabrication or Pressure Vessels (especially Bulk LPG Tanker) at Plot No. 17. GIDC, Ranoli, Vadodara. We fabricate all kinds of static and mobile pressure vessels like BULK LPG, PROPANE, PROPYLENE, AMMONIA, ETHYLENE OXIDE, CARBON DIOXIDE, etc. We also manufacture all kinds of tanks for Bitumen, P-oil, Black Oil & Running Gear (Trailer) certified under RTO Commissioner, Gandhinagar.

We deal in PTFE products, Piping, Fittings, Ball Valves and also in Chemical & Pharma industries Equipments, HEAT EXCHANGER, PROCESSING REACTOR, OIL STORAGE TANKS, RECEIVER, COLUMN & PROCESS EQUIPMENTS. Our technical expertise helps our customers for a competitive advantage. Our proactive approach to technical issues enables customers to understand and implement cost-effective solutions in Design Fabrication and Production Engineering. We welcome your interest and participation to be part of our company through which both our organization would grow.

We are first company in India to manufacture pressure vessels (LPG Tank) under Lloyd's Register Asia Inspection Agency. We are conversant with following codes – ASME Section, IS-2825, SMPV 20016, API650.

ATAW is an extension of AGARWAL ROADLINES which is in transportation field of LPG and Bitumen since last 3 years.
